Week 1: July 11, 12, 13 "Math Mania" Children will enjoy a medley of engaging manipulative games and learning center activities that will reinforce their understanding of number concepts and mathematical thinking.

Week 2: July 18, 19, 20 "Super Scientists!" Our campers will use their five senses to discover while actively involved in hands-on cooking activities or science experiments. Teachers will guide children to explore, observe, ask questions, predict, and integrate their learning.

Week 3: July 25, 26, 27 "Wild Safari Camping Adventure!" Children will have a blast during our classroom camp-out. Our little campers will enjoy learning about animals and their habitats so much that they will be asking for "s'more"!

Week 4: August 1, 2, 3 "Arctic Adventure!" Brrr! Little ones will keep cool and have "snow" much summer fun while learning about polar animals, Eskimos, igloos, and more !

Week 5: August 8, 9, 10 "Under the Sea Adventure!" Set sail with us on an ocean voyage to explore sea life. The books *Commotion in the Ocean* by Giles Andreae and *Smiley Shark* by Ruth Galloway will be featured.
