Summer Fun 2022! July 12-August 11

Week 1: "Digging for Dinosaurs!" Our little ones will be filled with T-Rex-citement as they stomp into a fun-filled week of learning and discover facts about our prehistoric dino friends.

Week 2: "We're Going on a Buggy Picnic!" The *Ants Go Marching* and the *Bees Go BUZZZing* as we explore the world of bugs and insects along with a fun, garden picnic.

Week 3: "Fabulous Folk Tales & Fables!" Your children's imaginations will take flight as they experience and enjoy learning activities about the folktales and fables that have been shared for many generations.

Week 4: "Rockin' in Our Shoes with Pete the Cat!" There's nothing like a good *Pete the Cat* book to fill your child's heart with joy. Pete's groovy stories will make children smile and bring them a positive outlook on life.

Week 5: "Little Scientists!" The ORLS scientists will tinker in their classroom STEM laboratory engaging in endless creative play and cool science experiments that will tickle their curiosity.
