This “mommy and me” class is designed to allow your child’s “first” school experience to occur within the very building they may attend for their nursery and pre-school years. It allows for connections to grow between you and your child as well as the teachers and classmates.

Through the weeks, your child will be involved in guided play activities as well as circle time activities, story time, music and movement, yoga, art, snack, free play with toys, and gross motor play in our Together We Go classroom . (Snack will only apply to the TOTS class.)

Parents and care givers should closely assist the child at each of these activities, as well as assisting the teacher with the routines of the day. You are your child’s first teacher....if you sing and participate, your child will be encouraged to do the same. Although we are working with you to establish your child’s independence, we are depending on the assistance of each adult in the room to assure an orderly class time experience.
